HONORING OUR MISSION DURING CATHOLIC SCHOOLS WEEK

During January each year, we celebrate Catholic Schools Week. St Teresa Regional works hard to stay true to our mission of forming minds and hearts for leadership and service as well as empowering students to know themselves as created and loved by God. In addition to our school wide service event for MLK, STRS has monthly service activities hosted by our student council and NJHS. These events allow our students to make an impact in their community, learn how to work as a team, and step up into leadership roles as they grow. We look forward to "Quarter Wars" each year during Catholic Schools Week because each grade can participate in the collection and counting of the quarters. Seeing their quarter jar grow each day is almost as exciting as presenting their donation to St. Vincent dePaul!

We also celebrate our teachers and students by encouraging them to think about what they each love most about our school, themselves, and Catholic educations. They celebrate with several fun activities at school such as a buddy lunch, teacher swap, dance break and jeans day. We pray for our families and appreciate your support of our school. Please take a moment to share what YOU love most about STRS and Catholic Schools in your ambassador email.

STARTING THE YEAR STRONG THROUGH SERVICE

On Martin Luther King Jr. Day, we were proud to hold an in-person, schoolwide, day of service. Our small but mighty school donated 132 snack bags to Ronald McDonald House along with our first shipment of soda tabs! We were able to donate to several programs at The Unforgotten Haven including, 250 cookies, 12 Birthday bags, 3 blankets, and countless lunch bags and placemats decorated by our students. We will complete the Little Free Library in art class and deliver with over 100 donated books. We are proud to be able to serve our community, teach our children service, and thank YOU, our parents, for your great support!

Virtue of the Month

Our Virtue of the month for January was "Courage".

Courage is when we do the right thing even when no one is looking.

Winners will be announced at Mass 1/30

February's virtue will be "Obedience".

Obedience is when we respect and listen to those who love us.

When we obey, we show respect for God, our parents, and our teachers.

"Blessed are all who fear the Lord, who walk in obedience to Him." — Psalm 128:1
