

STRS offers a **Girls Volleyball** program open to grades 4 through 8 for the fall sports season.

Voluntary practices for Girls Volleyball will begin in mid-summer, with mandatory practices starting later in August. STRS participates in the Gloucester County Catholic Athletic League, and games are held at various member schools throughout the South Jersey area.

To help plan for the upcoming season, if your child is interested in Girls Volleyball please complete the attached form and return it to school to:

Margaret Gicking
c/o Holly Gicking, Grade 7

The State of New Jersey requires all athletes to have an athletic physical performed by their family physician. We are starting the process now, to allow time to schedule physicals over the summer prior to the start of Volleyball season.

This form is due back to school by **Monday, June 10th**. Please contact Margaret Gicking at gickingm@yahoo.com with any questions.

Note, this invitation is open to all Girls in St. Teresa School who will be attending Grades 4 through 8 for the 2019-2020 school year. **Medical forms and registration details to follow for respondents.**

A final thought about Girls Volleyball, if your child is slightly interested give it a try! The STRS Volleyball program is on the rise, and we strive to make training and games as enjoyable as possible in a supporting team environment.

Thank you,

Coaches for the STRS Girls Volleyball Program

Nicole Sammartino
Margaret Gicking
Mark Nerone
Jaison Harada

Detach here and return to school
